Meet a Leader

This month I catch up with our Cub Growth Director, **Florian Bay**, and find out how he joined Toastmasters, what drives him and his interests outside of Toastmasters. Read the full story on Florian on our [website](#).

Florian is a true Franco-Brit - whilst he is French to the core he has fully immersed himself in his adopted homeland of *Dear Old Blighty*, including our culture, food and customs. Florian is the person most passionate about Toastmasters that I know, and he dedicates much of his time and effort to growing our organisation and motivating its members.

Next month I hope to catch up with **Beauty Zindi**, our Finance Manager.
