

Creative Exercise Marketing and Membership TLI

District 91 - 22nd August 2021

Advert 07

Based on the photograph shown, you are to copywrite an advertisement to be used on your club's Facebook page which will help your club recruit new members.

The theme for the advertisement is the skills the man has learnt by becoming a member of Toastmasters International.

The advertising copy has five elements:

1. A short Headline which attracts viewers to read the rest of the article by grabbing their attention.
2. An optional subheading which might incorporate a "Catch phrase" such as was used in the "Thanks Toastmasters" campaign which D91 are currently running.
3. The main body of text, this should be about 150 words long at most and explains the benefits of joining Toastmasters.
4. Contact information, your website, and email information as a minimum, but could also include a phone number
5. Hashtags, to help you reach your target audience.

Please fill in your text in the boxes below.

At the end of the session, we will evaluate each teams copy.

Headline

Subheading (Optional)

Main Copy

Contact Information
