

# Alignment 2018/2019 Update

District 91  
March 1st 2018

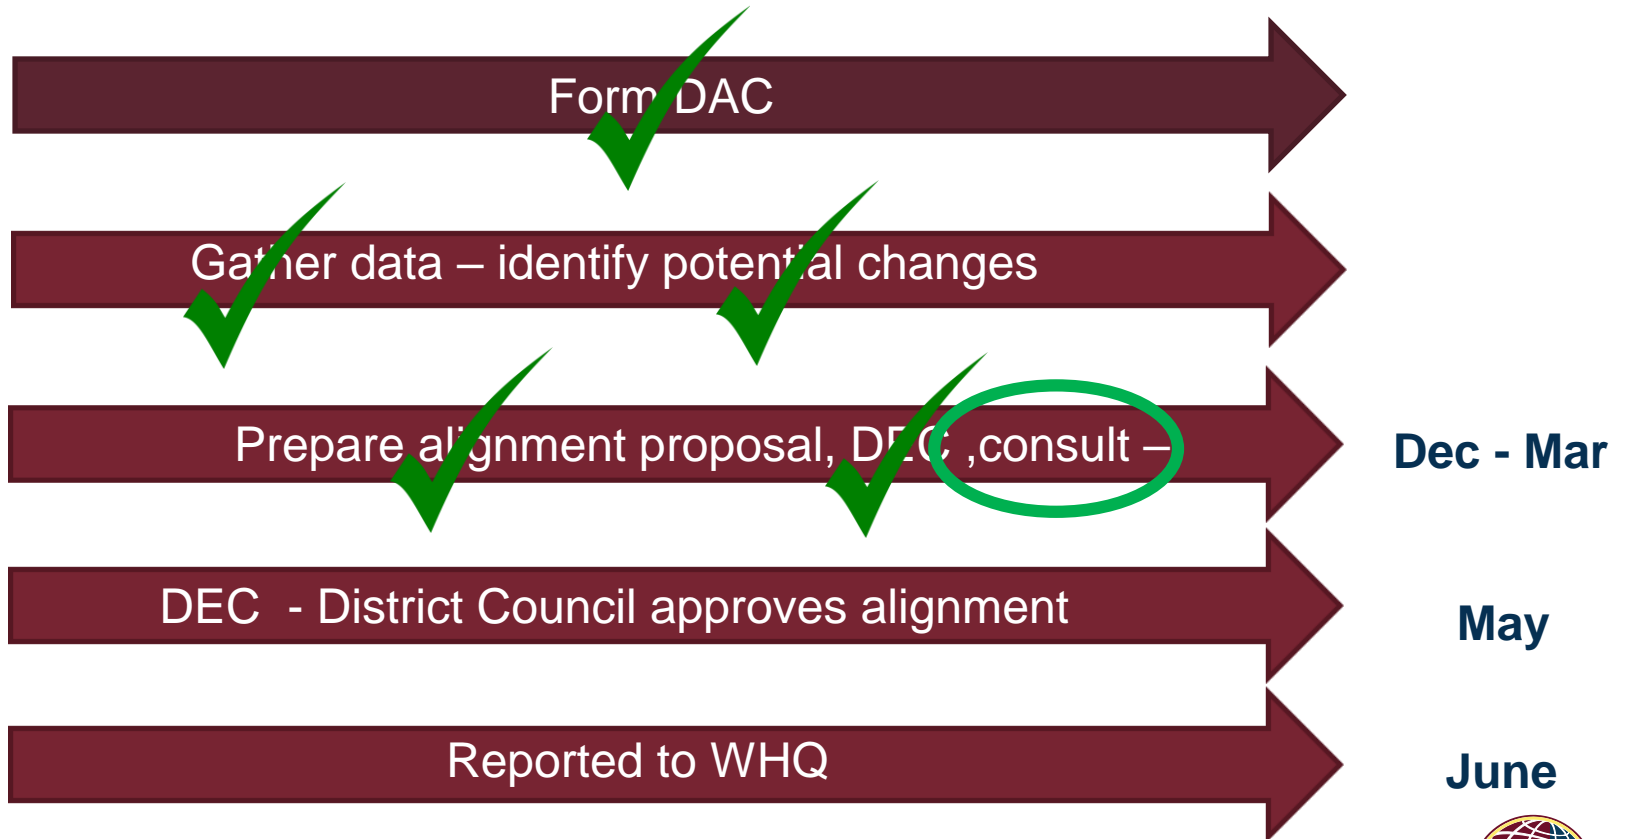

# Alignment - Reminder

‘Once each year, districts must review and amend, if necessary, the alignment of the clubs, areas and divisions within their boundaries. The result is subject to the approval of the district council at its annual meeting between March 15 & June 1.’

# Underpinning principles and approach

- To conform with TI Policies and Procedures Protocol 7.0 District Structure
  - Where clubs are operating either out of area or out of division
  - Where areas will exceed the 6 clubs per area rule
  - Where areas have less than 4 clubs and no efforts to charter a club are in process
- To strive as far as possible for balance amongst divisions
- To evolve District 91's structure
- To consolidate, based on current divisions
