

Questions asked after Q&A time was closed

VPE | Daphne Furlonge

Q: Why was so little spent on education as compared to budget

PQD | Diane Richardson

A: This due to continued supply issues with the TMI shop which we couldn't access at the start of the year due to the ERM system update. Once the shop was online delivery times were incredibly slow which meant that we only received education badges in March, which meant that we didn't spend the money. We are now sending out the badges we have and the amount spent on education will increase.

VPE | Richard Honeyman *Richard was online and his sound was not working.*

Richard asked the Chatmaster

Q: A general question on online clubs in D91 falling under general Divisions as members can be anywhere. Why not an online Division within D91 for example?

CGD | Debbie Williams

A: TMI currently does not facilitate online only divisions or areas.
