

District Leadership Committee Report, District 91, 2025-2026
Public Report

15th March 2026

Dear District Director Debbie Williams

A call for candidates was announced on 11th January 2026. Members were given until 20th February 2026 to declare their intent to run for office.

Each candidate who declared their intent to run by this deadline was contacted by the District Leadership Committee (DLC) to interview for their intended role(s). Division Director candidates were interviewed remotely and were asked competency-based interview questions. Trio candidates were interviewed face to face and included both a competency-based interview and presentation regarding the district mission.

Although it is not required, all candidates were provided with feedback by 15th March 2026.

The DLC nominates the following candidates by majority vote for each of the following roles. Offices with more than one candidate are listed in alphabetical order by last name.

Office	Nominated Candidate	Home Club
District Director	Seema Menon DTM	Harroviaan Speakers
Program Quality Director	Lynne Gayer DTM	Excalibur Speakers
Club Growth Director	Nadya Abdi DTM Alison Morris DTM	Tube Talk Toastmasters Thame Speakers
Division A Director	Rob Dewing	Salisbury Online Speakers
Division B Director	Beverley Daniel Blugh	Legacy Speakers
Division C Director	Muriel Teisseire	Woodford Green
Division D Director	Kanti Sastry	Harroviaan Speakers
Division H Director	Celia Edwards DTM	Liberty Speakers
Division L Director	Sarah Ndebele	Woodford Green

The DLC has verified that each of the nominated candidates meet the qualifications for the office they seek as specified in Article VII of the District Administrative Bylaws.

The DLC report is valid, in that all processes and deadlines have been complied with. The DLC report is however incomplete as the DLC is unable to nominate candidates for the role of Division J Director
