## Time to reflect

As we approach the end of our year, it's time to look back on the past 12 months and celebrate our achievements.

We've had an exciting year with lots of milestones, such as our first online conference with an amazing 900 attendees, 16 new clubs chartering, and over 80% of our clubs moving online. And our members have achieved over 1900 education awards so far this year.

As we reflect on the previous 12 months, take time to remind yourselves of the benefits of being a Toastmaster and share your personal success stories.
