November 2020

There is still a lot to enjoy

As we come to the end of November and the nights are drawing in, it's an ideal opportunity to take stock, looking back over the last 5 months, what have you achieved so far, what are your goals for the coming months.

Take stock and decide which Webinars you want to attend, which presenters you would like to see, share your ideas with your club and committee.

See which ideas you can bring.

Worthing Speakers - How we did it

before our meetings start. It's great for building camaraderie and friendship and ensures a friendly reception for guests.
